

ASPIRING PROGRAMMER AND ARTIST

Mikaela C. Pablo

ABOUT ME

A curious college student that strives to grow and learn more about what the world has to offer. Armed with skills on creatives and technology, such combination allowed me to enjoy developing front-end designs as well as keeping it technical.

SKILLS

- Capable of Traditional Drawing and Painting
- Capable of Digital Drawing and Painting
- Technologically Literate
- Can understand and code in different languages (HTML, CSS, JavaScript, Python, Java, Bash)
- Can play musical instruments (mainly Ukelele)
- Capable of Persevering and Finishing a lot of workload
- Can speak / write / understand English at an above average level.
